Similarly, the Chinese party will cover travel cost and health insurance cost for Chinese researchers coming to Slovakia and daily allowances and accommodation for Slovak researchers during their stay in China.

Finances will be provided in accordance with the approved budget of the Ministry of Education of the Slovak Republic by the Slovak Research and Development Agency for project duration. The expenses in the Slovak Republic will be covered in accord with approved budget for bilateral research and development cooperation for years 2010 and 2011.

7. PROJECT EVALUATION

The selection of projects has two stages. In the first stage the proposals will be treated separately by national committees, the second round will be done by the International Joint Committee.

At national level the proposals will be evaluated by using the following criteria:

- I. Specific project targets and their relevance to the call (25 points with minimum 20 points required for financing)
- II. Originality of the project (15 points)
- III. Importance of international cooperation at project participation (25 points)
- IV. The anticipated contribution of international cooperation project for Slovakia (25 points)
- V. Professionalism of Slovak responsible principal investigator - PI (10 points)

Maximum points: 100

The evaluation in Joint Committee will be done under these conditions:

- single party proposals will be not evaluated
- proposal with high ranking from both parties will have priority as compared to controversial ones
- discrepancies will be discussed having in mind mutual interest.

Evaluation results and the final list of financed projects will be announced after Joint Committee meeting.

8. RULES FOR PROPOSERS

Each project must have one responsible person from Slovak and Chinese participating party, also in a case of a multilateral cooperation of more cooperating organizations from both countries. The proposal must be submitted parallel by the Slovak PI in Slovakia and by the Chinese PI in China. The responsible person submits forms filled in Slovak and English or Chinese and English, respectively.

The Slovak participant selected for financial contribution shall provide to the Agency the Licence on Qualification to perform R&D in compliance with the Slovak Act No. 172/2005 Coll. as amended by later regulations before signing the Agreement.

The proposal on the Slovak side will involve:
