APVV

ANNEX 1 – TECHNICAL AND FORMAL CONDITIONS

1. The eligible Applicant is a Slovak legal entity or a Slovak natural person - an entrepreneur who holds a valid Certificate of Competence for Research and Development under para 26a sect. 11 or 12 of Act No. 172/2005 Coll. as amended.

2. The Application must be submitted via the electronic application system as provided in the Project Electronic Application System Manual. The Agency does not guarantee successful submission of the electronic forms via electronic application system in case of the system overloading or sending an electronic version of the Application in the last hours before closing the system. In this case, the Applicant assumes full responsibility for such unsuccessful submission of electronic version of the Application.

3. For the projects stating that their solution will be directly applied in practice, an inseparable part of the Application comprises the original or officially certified copy of the Letter of Intent on Applying the Project Findings in Practice between the Applicant and the purchaser of the project findings referred to in Application under RD-B 03, and in English, in the prescribed form.

4. Original or officially certified copy of the Letter of Intent on Mutual Cooperation between the Applicant and the partner organisation in the English language in the form as prescribed, shall be an integral part of the Application in paper form.

5. The Application shall contain the following documents in electronic form in English language:
   a) *Application - Parts RD-A up to RD-E* on the prescribed form,
   b) *Application - Part RD-F -* Material Project Intent on the prescribed forms according to the obligatory scheme for the basic, and/or applied research and development.

6. The following documents, signed by the statutory representative (s), must be **delivered** to the SRDA **within the given deadline** in a paper form:
   a) *RD-E Application Form*,
   b) *RD-A5 Application Form*. Scanned signatures of foreign partner will be accepted.

7. The electronic and paper-based versions of the Application must be identical.
