

**F – MATERIAL PROJECT INTENT**

---

**Obligatory Scheme for Bilateral Cooperation**

Obligatory scheme length is limited to 10 pages.

Project Title	
Principal Investigator	
Applicant Organisation	
Statutory Representative/s of the Applicant	

**1. Excellence**

- Describe the relevance of the project and the contribution of its implementation to the objective of the call
- Describe the thematic focus of the project proposal
- Define the degree of topicality of the project in the given field of science and technology and the degree of originality of the research intent
- Justify the relevance of bilateral cooperation and the need for the participation of international partners indicated in the project proposal
- Characterise the scientific outputs and professional quality of the Principal Investigator and individual members of the research team

free text

**2. Impact**

- Characterise the degree of social or economic benefit of the bilateral cooperation for the Slovak Republic, or for the Slovak institution and the research team
- Provide a detailed specification of the expected joint outputs of the bilateral cooperation and the involvement of the international partner (joint project, joint publications, joint participation in conferences and other scientific and professional events, organisation of workshops, etc.)
- Indicate, with regard to the involvement of an international partner, how the results will be disseminated and exploited.
- Describe the involvement of PhD. students and/or early-stage researchers in the project and their potential for professional development resulting from their participation in the project
- Indicate the extent to which the international cooperation creates opportunities for sustaining and developing further cooperation

free text

### 3. Implementation

- Define the objectives of the project and specify in detail the project timeline with regard to the logical continuity of the research procedures and the fulfilment of the stated objectives
- Specify the type, purpose and timeline of the mobility activities for each stage of the project and the involvement of the research team members in the mobility activities
- Specify the type and purpose of the stay of the international partners at the Slovak institution
- Justify the adequacy of the requested funding in the context of the planned mobility activities
- Indicate from which other sources (project, institutional support, private sector, etc.) the research part of the project is supported
