

## **Annex 4**

### **Technical and formal conditions for bilateral Proposal**

1. Proposal must be submitted to the Slovak Research and Development Agency (the Agency) by the deadline defined in the call.
2. Proposal must be submitted to the Agency in the defined form, using Agency electronic system for project submission.
3. Proposal must also be submitted to the Agency in defined paper version.
4. Submitted proposal in electronic and paper version must be identical.
5. Proposal in paper version must be signed by both participating organizations (signatures of responsible Principal Investigator, statutory representatives). Signatures of foreign partners sent by fax or scanned version will be accepted.
6. The proposal must be submitted parallel in Slovak and in foreign partner site (according to the partner organization instructions).
7. In the frame of this call one person can be in the position of the Principal Investigator only in one project. In the case when he/she submits two or more proposals, the Agency will accept only the one which was submitted first via the electronic information system.
8. Any Principal Investigator whose project has had a previous project financed by the Agency which was, after completion, evaluated in the Final Evaluation Report as "completed to unsatisfactory level" is not eligible to submit a further project to the Agency during the period of 3 calendar years from the year when he/she received the Final Evaluation Report.
