

ANNEX 1 – TECHNICAL AND FORMAL REQUIREMENTS

1. Within the given deadline, hard copies of the following parts of the application must be received to the Agency:
 - a) part RD-A4 of the application signed by the Principal Investigator of the applicant organisation;
 - b) part RD-H of the application signed by the statutory representatives of the applicant organisation;
 - c) part RD-H of the application signed by the statutory representatives of the co-recipient.
2. The application must be submitted online including the following **electronic documents** in both Slovak and English:
 - a) part of the application RD-A to RD-H on the prescribed form;
 - b) part RD-F of the application on the prescribed form according to the binding scheme for basic research or applied research and development in Slovak or English only¹;
 - c) structured professional CV of the principal investigator in Slovak or English only.
3. The part of the application requested in paper form **must be identical** to the part of the Application submitted via the electronic system.
4. The part of the application RD-A4 05 must contain the ID of the researcher, i.e. the unique identifier of the Principal Investigator from the scientific database WoS - Web of Science, Scopus or ORCID.
5. For the projects with their implementation declared to be directly applied in practice, an inseparable part of the paper application comprises the **original or officially certified copy of the Letter of Intent on Applying the Project Findings** in Practice **between the Applicant and each purchaser** of the project findings referred to in part RD-B 05 (refers to a purchaser other than the applicant and also refers to a co-recipient if listed as a purchaser) of the application, and in the prescribed form (Annex No. 7 to the Consolidated Version of the Call). **The project must be clearly identifiable in the Letter of Intent by the project name or the project number or the project proposal number.**

¹ In accordance with the requirements of the public call, the maximum number of pages of the Part RD-F of the application (Obligatory scheme) is **15 pages for Basic research and 15 pages for Applied research and Development**. Applications with an obligatory scheme exceeding the maximum number of pages at the time of submission shall not be subject of the evaluation process and will be rejected.
